

# Tarin Esports Club

Information for staff

---

## About the organisation and general information

Tarin eSports Club is a result of passion for eSports and project management. The main goal of the club is to give a chance to talented individuals to have a potential career in electronic sports.

We are looking for volunteering passionates willing to develop their skills together with the team. As of yet (2019) we cannot provide any salaries\* \*\*. TEC might be able to provide some occasional benefits for the staff.

We seek people to cover these roles: **Head Coach, Analyst & Head of Social Media**. If you are willing to volunteer to do something else within the organisation, **contact us**.

\* Any financial rewards are to be discussed on an individual basis if required.

\*\* Coaches requiring a financial compensation for training the players can state their expectations in an application.

## Benefits of being in TEC

- **Experience gained in TEC will benefit your future esports, media or development career**
- **Occasional gifts**
- **(Coach) All the prizes from competitions go directly to the players and their coach**
- **(Media & Development) If you design or create anything for TEC, even it is under the organisation's copyright you are free to use it in your portfolio**

Possible benefits in future

- **Financial support to cover the travel expenses\***.
- **We will get you the equipment or software needed\*\*\*\***

\* Initially this will apply to travel within the UK

\*\* As the organisation develops and the financial stability will allow TEC to increase the expenses we will be happy to provide you with the software or equipment needed to do your job e.g. Cameras for media staff, browserstack license for developers, Creative Cloud subscription etc.
